1) If we have an unassessed parcel (e.g. state), and the assessment is \$0, do we need to bother mailing a petition? Seems completely silly to do so, but damned if I know if there is some rule that says we should anyway. LOL.

This dawned on me tonight while doing the petition merge :)

2) Should I furnish a copy of our petition file to anyone in the Clerk's office, or is that unnecessary?

3) I have only combined petitions where the owner name is exactly the same. If there is any difference, even a typo, I believe I should leave them separate and send two petitions, correct?

It is best if all parcel owners receive a petition.
